Arizona's Sexually Violent Person's Act, A.R.S. § 36-3701, *et seq.*, provides that persons detained pursuant to its provisions be held at the Arizona Community Protection and Treatment Center on the campus of the Arizona State Hospital, in Phoenix, Arizona.

The Superior Court of Maricopa County has jurisdiction over the proceedings involving the great majority of these Respondent/Detainees. In the exercise of this jurisdiction, the judges of this Court are often called upon to issue orders requiring transportation of the Respondent/Detainees to the Court for various legal proceedings.

Recent developments have shown that it is necessary to establish a more uniform policy regarding transportation of these Respondent/Detainees. Therefore, the Court has made the determination that it is advisable to promulgate a uniform minute entry regarding these transportation issues.

**IT IS THEREFORE ORDERED** that, subject to the exercise of a judge's independent discretion, the attached uniform minute entry be issued whenever transportation of a Respondent/Detainee is ordered.

Dated this 3rd day of March, 2000.
